

Laboratory Investigation Report

Patient Name	Centre
Age/Gender	OP/IP No
Max ID/Mobile	Collection Date/Time
Lab ID	Receiving Date
Ref Doctor	Reporting Date
Passport No.	

Molecular Diagnostics

Test Name	Result	Unit	Bio Ref Interval
-----------	--------	------	------------------

HCV RNA Quantitative, Real Time PCR, Plasma EDTA

Real Time PCR

HCV - RNA (Quantitative) PCR Not Detected IU/mL

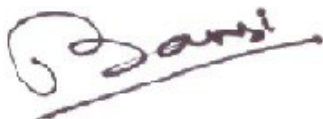

Interpretation

Value	Interpretation
Target not Detected	NO HCV RNA detected
<34 IU/ml	HCV RNA detected, less than 34 HCV RNA IU/ml
34 and 1.0×10^6	HCV RNA Detected, Results are within the linear range of the assay
$>1.0 \times 10^6$	HCV RNA Detected, Greater than 1.0×10^6 HCV RNA IU/ml

Comments: The HCV RNA PCR is an in vitro nucleic acid amplification test for the quantitation of hepatitis C virus (HCV) RNA in human plasma. This test is intended for use in conjunction with clinical presentation and other laboratory markers for disease prognosis and for use as an aid in assessing viral response to antiretroviral treatment as measured by changes in EDTA plasma HCV RNA levels. This test is not intended to be used as a screening test for HCV or as a diagnostic test to confirm the presence of HCV infection.

Kindly correlate with clinical findings

Conditions of Reporting: 1. The tests are carried out in the lab with the presumption that the specimen belongs to the patient name as identified in the bill/test request form. 2. The test results relate specifically to the sample received in the lab and are presumed to have been generated and transported per specific instructions given by the physicians/laboratory. 3. The reported results are for the information and interpretation by the referring doctor only. 4. Some tests are referred to other laboratories to provide a wider test menu to the customer. 5. Max Healthcare shall in no event be liable for accidental damages loss, or destruction of specimen which is not attributable to any direct and mala fide act or omission of Max Healthcare or its employees. Liability of Max Healthcare for deficiency of services, or other errors and omissions shall be limited to fee paid by the patient for the relevant laboratory services.
